Mission

Our mission is to design & manufacturer high quality air handling systems, dehumidifier & Modular CRP that exceed industry standards in Performance, Reliability, Sustainability & Energy Efficiency

Vision

To be a leading provider of innovative, energy-efficient air handling unit & dehumidifier world wide.

Expertise

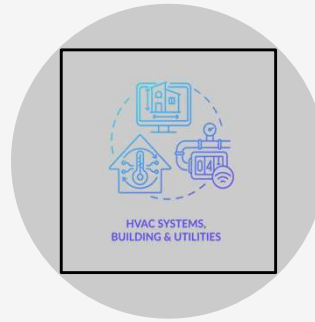

With over a decade of industry experience, we have built a reputation for **engineering excellence** and unparalleled service quality. From conceptual designing to installation, validation, and technical support, our team of highly skilled engineers ensures precision and excellence at every stage.

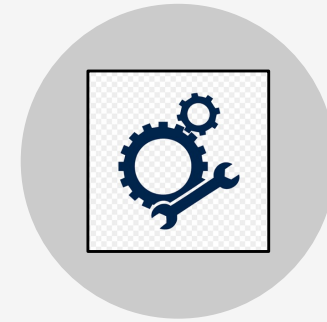

Our Products and Services

VALIDATION &
CALIBRATION

HVAC & AHU TURNKEY
PROJECTS

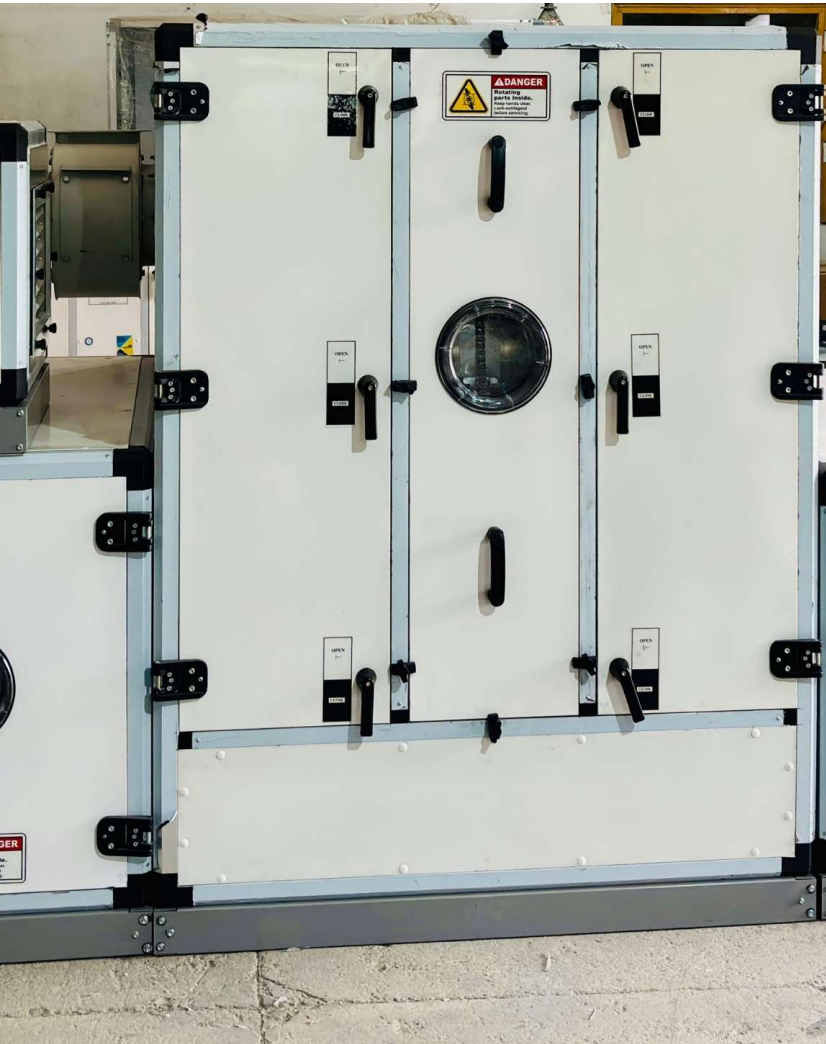

SPARES

What We Do?

- HVAC TURNKEY PROJECTS
- AIR HANDLING UNIT (AHU)
- DEHUMIDIFIER
- CONCEPTUAL DESIGNING
- VALIDATION
- CALIBRATION

OUR PRODUCTS

- AIR HANDLING UNIT (AHU)
- DEHUMIDIFIER
- FAN COIL UNIT (FCU)
- AIR WASHERS
- HEAT RECOVERY UNITS
- COOLING COILS
- HEATING COILS

OUR SERVICES

- PURE STEAM VALIDATION
- COMPRESSED AIR & NITROGEN AIR TEST
- AHU VALIDATION
- CONCEPTUAL DESIGNING
- AHU & DUCTING DESIGN (AS PER ISHRAE / ASHRAE)
- CALIBRATION OF INSTRUMENTS
- THERMAL VALIDATION | AREA MAPPING | EQUIPMENT MAPPING
